

WEALTH BUILDER

YOUR PATH TO FINANCIAL FREEDOM STARTS HERE

The Wealth Builder Program is a **four-step process** that is designed to help you achieve financial freedom and build long-term, sustainable wealth.

These four steps **teach you to allocate, manage and optimize your cash generation**. Additionally, you will **understand how to eliminate non-productive debt, improve your credit score, build an emergency fund, prepare for home ownership, and learn how to create multiple streams of income through real estate investing, business building and stock market investing** from a layman's perspective. In addition to the classroom instruction, **participants will have access to one year of one-on-one financial coaching**.
